When Your Child Comes Home MESSY.....

Red paint in the hair? Blue paint on the jeans? Sand in the shoes? Peanut butter on the favorite shirt? White socks look brown? Sleeves a little damp?

YOUR CHILD probably.....

Worked with a friend
Solved a problem
Created a masterpiece
Negotiated a difference
Learned a new skill
Had a great time
Developed new language skills

YOUR CHILD probably didn't....

Feel lonely
Become bored
Do repetitive tasks that are too babyish
Do worksheet tasks that are too easy
Do sit-down work that is discouraging

YOU probably....

Paid good money for those clothes
Will have trouble getting the red paint out
Are concerned that the caregiver isn't paying enough attention to your child

THE CAREGIVER probably....

Was aware of your child's needs and interests
Spent time planning a challenging activity for the children
Encouraged the children to try new things
Put smocks on the children
Was worried that you might be concerned

NEW HORIZONS' TOY DRIVE

Many thanks to all our parents and staff who contributed to our annual toy drive.

This act of kindness really helps your child enjoy the true spirit of the season.

KINDERGARTEN AND ELEMENTARY ORIENTATION

FOCUS ON FUNDAMENTALS

On the Road Again

This month your Preschoolers will be taking a look at the world of transportation. It is always an active unit which finds the kids "flying, sailing and driving all around the classroom."

Have you ever thought about how much time you and your child spend in transit each day? With a little planning, your journeys can become shared moments of fun and learning. As you proceed on your errands, read signs around you. Help orient your child by pointing out stores and streets you pass along the way.

After a busy day at school, your child may need a break from the hustle of the schedule. Bring along a light snack or something cool to drink for the trip home. Usually it's a good idea to take a little quiet break before you begin discussing the day's events or focusing on the next stop.

On days when neither of you feels like talking, a couple of sing-along-songs or story book CD, kept in an activity bag, will come in handy.

Games like I Spy, searching for animals, counting colored cars, matching design shapes, looking for out-of state license plates, or inventing rhymes amuse away the miles.
