MARCH NEWSLETTER CALENDAR**

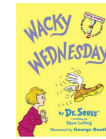

FINE MOTOR: During the month of March your child will be working on their fine motor skills by practicing cutting shapes, painting at the easel, book making and practicing writing their first and last names.
GROSS MOTOR: We will be fine tuning our gross motor skills by skipping, hopping, kicking a ball and walking on a line.

LANGUAGE: During our circle time we will encourage class participation with open-ended questions to help encourage comprehension and story recall. The class will also review the positional words they have learned. This month we will also be working on our rhyming words through music and reading as well as compound words. As we get ready for Kindergarten we will continue with our Letter Recognition, reviewing our lower case letters, word families and compound words.

MATHEMATICS: As part of our Math experience we will be discussing the terms “alike and different”. The class will be sorting and putting animals and objects in order by different attributes. Our shape of the month is the Rhombus. Our Pre K students will be practicing counting backwards.

SOCIAL/SCIENCE: In our Social Studies we will continue discussing the weather. Our focus for this month will be predicting weather. We will be discussing – What makes rain? - What is a cloud? As part of our Science Unit our prekindergarten students will be learning about plants and how they grow. Please check the sign up sheet in your child’s class for whole fruits and vegetables.

Class Pictures**

Class Pictures are a great way to remember your child's classmates, and we know you'll be sure to send your child with a special smile on. Unfortunately, we are unable to schedule re-takes, so it's important that your child attend on this designated day. Preschoolers whose schedule does not include the day of the photo session should switch a day of attendance that week so he or she can be included in the picture. Please look for the order forms to come home in the near future.

DRESS CODE FOR CLASS PICTURES:

This year we are requiring all students to wear their **"Green New Horizons T-Shirt"**!

Because this is a class picture we would like all our students to be in our New Horizons Green t-shirt. Those students not wearing the Green New Horizons t-shirt will be given a new shirt and parents accounts will be billed.

Please contact the office if you haven't received a NH t-shirt.
