

NEW HORIZONS COUNTRY DAY SCHOOL INFANT/TODDLER'S MARCH NEWSLETTER

FINE MOTOR/GROSS MOTOR: During the month of March your child will be working on fine motor skills by painting on an easel, tearing paper, putting together puzzles and playing with play dough. We will continue to strengthen and refine their gross motor skills by hopping, bouncing a ball and balancing on one foot.

LANGUAGE: Language development will include memory recall using flannel stories and books we have read. We will continue to encourage the use of expanded vocabulary. Our Infant/Toddlers will be introduced to the words soft and hard and be able to feel and experience the difference.

MATHEMATICS: The students will be working on sorting by size. As part of our math unit the students will continue to review the #'s 1.2.3.4.5. The shapes for rhombus, circle, oval and square.

SOCIAL/SCIENCE: March is the perfect month to discuss windy weather. As part of our Science unit our Toddlers will be talking about Insects and Bugs. Our Toddlers will be learning about airplanes and things that fly in the air.

March 29th Class Pictures

Class Pictures are a great way to remember your child's classmates, and we know you'll be sure to send your child with a special smile on. Unfortunately, we are unable to schedule re-takes, so it's important that your child attend on this designated day. Preschoolers whose schedule does not include the day of the photo session should switch a day of attendance that week so he or she can be included in the picture. Please look for the order forms to come home in the near future.

DRESS CODE FOR CLASS PICTURES:

This year we are requiring all students to wear their
"Green New Horizons T-Shirt"!

Because this is a class picture we would like all our students to be in our New Horizons Green T-Shirt. Those students not wearing the Green New Horizons T-Shirt will be given a new shirt and parents accounts will be billed.

Please contact the office if you haven't received a NH T-Shirt.
