

NEW HORIZONS COUNTRY DAY SCHOOL THREE'S MARCH NEWSLETTER

FINE MOTOR: During the month of March your child will be working on their fine motor skills by cutting out shapes and painting on the easel with different art mediums.

LANGUAGE: Language development will include memory recall with stories. During circle time we will encourage class participation with open-ended questions and story recall. The children will be working all month on rhyming words.

MATHEMATICS: Students will be sorting by different attributes - size, color and shape. The class will work on recognizing the differences between - tall, taller, tallest, big, bigger and biggest. We will continue reviewing our numbers 4,5,6,7,8. The 3's classes will also be counting and learning the value of the different coins.

SOCIAL/SCIENCE: March is the perfect month to discuss windy weather. As part of our science unit the three's will be measuring rain, checking temperatures. Insects and bugs are always a favorite this time of year, the classes will be learning the difference between an insect and a bug. To finish off our month we will be traveling through space exploring the solar system.

REGISTRATION FOR THE
2017-18
SCHOOL YEAR.

Registration deadline for all students already attending New Horizons is **March 10th**. Pre-K parents who are interested in Kindergarten at New Horizons should contact the office and get an Elementary Packet for the fall.

Parent contracts have been distributed to all in-house students. Please see your child's teacher if you have not received your contract. Placement will be guaranteed only for those students who have completed the parent contract and paid the non refundable registration fee by **March 10th**.

Voluntary Pre-K Vouchers: (For students who will turn 4 on or before September 1st, 2017) please turn in your signed voucher as soon as you receive it.

March 29th
Class Pictures

Class Pictures are a great way to remember your child's classmates, and we know you'll be sure to send your child with a special smile on. Unfortunately, we are unable to schedule re-takes, so it's important that your child attend on this designated day. Preschoolers whose schedule does not include the day of the photo session should switch a day of attendance that week so he or she can be included in the picture. Please look for the order forms to come home in the near future.

DRESS CODE FOR CLASS PICTURES:

This year we are requiring all students to wear their "**Green New Horizons T-Shirt**"!

Because this is a class picture we would like all our students to be in our New Horizons Green t-shirt. Those students not wearing the Green New Horizons t-shirt will be given a new shirt and parents accounts will be billed.

Please contact the office if you haven't received a NH t-shirt.

Summer Session

Summer Session for our Preschool students is just around the corner, and many of you are already making plans for activities for the summer.
