

NEW HORIZONS COUNTRY DAY SCHOOL TWO'S MARCH NEWSLETTER

FINE MOTOR: During the month of March your child will be working on fine motor skills by painting on an easel and cutting & shaping play dough.

LANGUAGE: Language development will include memory recall with stories. We will continue to encourage the use of expanded vocabulary. The students will continue to practice their positional words. The color for the month is green. We will also introduce the words alike & different and their meaning.

MATHEMATICS: The students will be working on sorting by different attributes – color, size and shape. As part of our math unit the students will continue to review the #'s 1.2.3.4.5. The shape for the month is the Rhombus (diamond).

SOCIAL/SCIENCE: March is the perfect month to discuss windy weather. As part of our science unit we will be talking about the rainforest and the animals that live there. Our students will also be discussing spring and rainy weather.

Class Pictures

Class Pictures are a great way to remember your child's classmates, and we know you'll be sure to send your child with a special smile on. Unfortunately, we are unable to schedule re-takes, so it's important that your child attend on this designated day. Preschoolers whose schedule does not include the day of the photo session should switch a day of attendance that week so he or she can be included in the picture. Please look for the order forms to come home in the near future.

DRESS CODE FOR CLASS PICTURES:

This year we are requiring all students to wear their *"Green New Horizons T-Shirt"*!

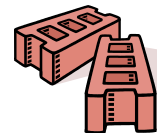

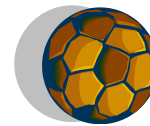

Because this is a class picture we would like all our students to be in our New Horizons Green t-shirt. Those students not wearing the Green New Horizons t-shirt will be given a new shirt and parents accounts will be billed. Please contact the office if you haven't received a NH t-shirt.
