

NEW HORIZONS COUNTRY DAY SCHOOL
HALF DAY VOLUNTARY PRE K CLASS
NOVEMBER NEWSLETTER

FINE MOTOR: During the month of November the students will be practicing writing their names, addresses & phone numbers. As part of their homework for the week of 11/9 your child will be bringing home a paper for you to help them make a family portrait. This is an important part of our Homes & Family Unit which the students will be sharing with the class during morning circle time. The homework sheet will be sent home 11/6.

LANGUAGE: As a pre reading skill we will be observing your child's ability to predict story-beginning, middle and ending. We will continue using more expanded vocabulary such as plurals, adjectives and adverbs. We will also be doing activities to emphasize left and right orientation.

MATHEMATICS: In combination with our fine motor skills we will emphasize number recognition while practicing our home phone numbers and addresses. We will be reviewing our geometric shapes, sphere, cylinder, rectangular prism, square based prism, triangle based prism and cone. There will be many activities for the students to work on, such as identifying first, middle, last, comparing sets, and counting sets. The students will be doing lessons to help them understand ordinal numbers 1-5. The students will be reviewing the terms: how many, equal, fewer & more than, and how to apply them. The class will also be learning "What a Year is".

SOCIAL/SCIENCE: As part of our sharing and caring month we will be talking about families and how we celebrate Thanksgiving and how the First Thanksgiving was celebrated. The students will be practicing table setting in anticipation of Thanksgiving. We hope you will allow your child to help with this tradition at home. In Science we will be reviewing the proper use of farm tools, life on the farm and pond life.
