HURRICANE PROCEDURES

Do you have your family emergency action plan ready in case of a hurricane?

What does a Hurricane Warning mean?

- A. Hurricane conditions are less than 36 hours away and violent weather may come quickly!

Are you prepared?

1. Please make sure New Horizons has current work, cell and emergency contact information.
2. Have you checked in with your emergency contacts, are they still able to pickup your child if you are not able to get here?
3. Do you know your evacuation zone? You can find it on the Pinellas County Emergency Management website.

How we will notify you.

1. We will be monitoring any upcoming weather reports and update our families using:
 - A. Facebook
 - B. Text messaging: if we have your phone carrier.
 - C. By Phone: if we are in school and the weather changes quickly.
 - D. We will put a message on our phone system.
 - E. Flyers

School Closure:

New Horizons does not follow the Pinellas County Schools when it comes to closing our school. We will close if a State of Emergency has been declared for Pinellas County or the school has to be closed due to street flooding, damage, loss of electricity, water or lack of staff due to the weather conditions.

New Horizons will keep our families informed about the current weather conditions. However we depend on our families to stay informed of changing weather and pick up their children if weather conditions become severe.
