

# NEW HORIZONS COUNTRY DAY SCHOOL PRE KINDERGARTEN WRAP CARE

**FINE MOTOR:** During the month of March your child will be working on their fine motor skills by practicing cutting shapes, painting at the easel, book making and practicing writing their first and last names.

**GROSS MOTOR:** We will be fine tuning our gross motor skills by skipping, hopping, kicking a ball and walking on a line.

**LANGUAGE:** During our circle time we will encourage class participation with open-ended questions to help encourage comprehension and story recall. This month we will also be working on our rhyming words through music and reading. As we get ready for Kindergarten we will continue with our Letter Recognition, reviewing our lower case letters, word families and compound words.

**MATHEMATICS:** As part of our Math experience we will be discussing the terms “alike and different”. The class will be sorting and putting animals and objects in order by different attributes. Our shape of the month is the Rhombus. Our Pre-K students will be practicing counting backwards.

**SOCIAL/SCIENCE:** In our Social Studies we will be using our scientific skills and trying to predict the weather. Our Science focus for this month is weather and Insects/Bugs- What makes clouds?, What makes rain? . What is the difference between a bug and an insects?

**Class Pictures**

Class Pictures are a great way to remember your child's classmates, and we know you'll be sure to send your child with a special smile on. Unfortunately, we are unable to schedule re-takes, so it's important that your child attend on this designated day. Preschoolers whose schedule does not include the day of the photo session should switch a day of attendance that week so he or she can be included in the picture. Please look for the order forms to come home in the near future.

**DRESS CODE FOR CLASS PICTURES:**

This year we are requiring all students to wear their **"Green New Horizons T-Shirt"!**

Because this is a class picture we would like all our students to be in our New Horizons Green t-shirt. Those students not wearing the Green New Horizons t-shirt will be given a new shirt and parents accounts will be billed.

Please contact the office if you haven't received a NH t-shirt.

**Summer Session**

Summer Session for our Preschool students is just around the corner, and many of you are already making plans for activities for the summer.

Our 8-week program is from  
May 30th through July 21st.

Pre K Students who are entering Kindergarten in 2017 will be combined with our School age program for summer. These campers will be going on a variety of field trips off campus.

*We will be sending home summer camp registration soon!!*
